

SALE OF SURPLUS TIRE CHANGING EQUIPMENT AND SECURITY CAMERAS

The Duluth Transit Authority hereby requests bids for the sale of one surplus Tire Changing Machine and the sale of surplus security cameras. Items will be sold to the highest bidder on an "as is, where is" basis. Bids must be emailed in a pdf attachment to nbrown@duluthtransit.com, or sealed in an envelope and mailed to the Duluth Transit Authority Procurement Manager, 2402 West Michigan Street, Duluth, MN 55806. Bids are accepted until **1:00 p.m. on Monday, June 1, 2020**. The DTA reserves the right to accept or reject any and all bids.

1. The Tire Changer is a heavy duty tire changer Coats Model HIT 5000, that is approximately 20-years old and was in regular use until a new one arrived. The unit is capable of handling tires up to 44-inches in diameter. Pictures of the machine are available on the DTA website.
2. The surplus security cameras are a mix of Bosch and Panasonic analog cameras used on the Avigilon System. They include 2 digital color cameras, 11 dome cameras and 8 exterior bullet cameras. There is no guarantee that the cameras work. The DTA prefers to sell them as an entire set. Pictures of the cameras are available on the DTA website.
3. The equipment can be inspected between the hours of 8:00 a.m. and 3:00 p.m. Monday through Friday by appointment only, by calling 218-623-4332. Due to the COVID-19 emergency, visitors are required to wear masks and gloves while on the premises.
4. No member, officer, or employee of the Duluth Transit Authority, ATE Management of Duluth, or First Transit Inc., may purchase surplus property if that person is directly receiving bids, opening bids or reviewing and awarding bids for the surplus equipment.
5. The DTA reserves the right to accept or reject any or all bids on such basis as the DTA deems to be in its best interests to do so.
6. Payment in full shall be made promptly upon award of sale. Unless otherwise agreed in writing by the DTA, Buyer must remove the item no later than the close of business, Monday, May 4, 2020. Failure to do so will result in forfeiture of the item(s) purchased, which may then be sold to the next highest bidder or alternate bids obtained.
7. Payment shall be made by **Cash, Certified Check or Cashier's Check**, payable to the Duluth Transit Authority.
8. All equipment is purchased by the buyer "as is, where is, and with all faults," and the DTA gives no express warranty nor does DTA make any representation or implied warranty that the equipment is of merchantable quality or as to the kind, character, or quality, or that they can be used for any particular purpose. The DTA will not consider any claim for allowance of adjustment or for rescission of the sale based on the failure of the property to correspond with the standard expected. All sales are final.
9. It is understood by the buyer that anytime they, their agents, servants or employees enter upon the DTA property, that they assume the liability and risks identified above.
10. Assistance for removing equipment will **not** be available from the DTA. Each purchaser shall make such arrangements as may be necessary with private contractors for these services.

All inquiries and other correspondence relating to this request for bids, both prior to and subsequent to the award of the bid shall be in writing and emailed to nbrown@duluthtransit.com or via regular mail addressed to:
