Notice of Intent to Issue a Sole Source Award for a HP Proliant Server, data base migration and installation from Genfare, a division of SPX Corporation in the amount of \$11,900.

March 17, 2021

The Duluth Transit Authority (“DTA”) intends to issue a sole source purchase order to Genfare for one Proliant Server configured for use with Genfare Payment Encoding Machines and Ticket Vending Machines, and additional professional services for use with the Genfare fare collection system.

All interested providers must respond in writing with clear and convincing evidence to support their ability to provide the DTA with equivalent product within seven business days of this notice via the DTA Procurement Manager, nbrown@duluthtransit.com.

This is not a solicitation for quotations, proposals or invitation for bids. If parties choose to respond, any costs associated with preparation and submission of data or other cost incurred in response to this announcement are the sole responsibility of the respondent and will not be reimbursed by the DTA>
