

REQUEST FOR BIDS
Bus Shelter Solar Lights
DULUTH TRANSIT AUTHORITY

Addendum #1

December 23, 2021

1. Clarifications to Date:

a. Please correct the following on the Request for bids:

“You are invited to submit Bids to supply a minimum of twelve (12) and a maximum of twenty (20) Bus Shelter Solar Lights for DTA Bus Shelters.

b. The selected vendor will not be installing the lights. Please delete the word “installation” on the Bid Form: “ALL fees, delivery ~~and installation~~ must be included.”

c. Respondents may include the cost of delivery in the base price for the lights and enter a zero on the price for delivery of the units. No adjustment may be made to the price of the units if the purchase order is adjusted lower than 20 units.

d. The DTA will accept proposals for lights that use lithium-ion batteries provided the lights meet the performance specifications as noted in the Request for Bids.

e. The DTA is not seeking custom designed lights or custom colors. Standard off the shelf products in standard sizes, materials and colors, are requested.

f. The DTA does not have engineered drawings for the shelter roof. The shelters are manufactured by Brasco International. The DTA shelters are able to withstand extreme weather conditions in Duluth, MN. Information on the shelters can be found at www.brasco.com.
