

Duluth Transit Authority

Notice of Intent to Issue a Sole Source Award

December 28, 2021

The Duluth Transit Authority (“DTA”) intends to issue a sole source purchase order to TSI Video to replace Verint DVRs on 10 DTA buses to Nexus-HVR recorders, in the amount of \$37,720.00. Price includes integration and installation.

All interested providers must respond in writing with clear and convincing evidence to support their ability to provide the DTA with equivalent product within ten business days of this notice via the DTA Procurement Manager, nbrown@duluthtransit.com.

This is not a solicitation for quotations, proposals or invitation for bids. If parties choose to respond, any costs associated with preparation and submission of data or other cost incurred in response to this announcement are the sole responsibility of the respondent and will not be reimbursed by the DTA.
