G-12 PROTEST PROCEDURES

Protests will only be accepted from prospective Respondents whose direct economic interest would be affected by the award of a contract or refusal to award a contract. The General Manager will consider all such protests, whether submitted before or after the award of a contract. If oral objections are raised and the matter cannot be resolved to the satisfaction of the objector, a written protest shall be required before any further consideration is given. Protest submissions should be concise, logically arranged, and clearly state the grounds for the protest. Protest must include at least the following information:

- Name, address, and telephone number of protestor
- Identification of the solicitation or contract number
- A detailed statement of the legal and factual grounds of protest including copies of relevant documents
- A statement as to what relief is requested

All protest documents received by the General Manager shall be stamped with date and time received and logged into a protest file folder with a copy to the Master File.

PROTESTS BEFORE AWARD

Protests before award must be submitted within the time as specified herein. If the written protest is not received by the time specified, the evaluation process shall continue in the normal manner unless the Finance Director, upon investigation, finds that remedial action is desirable, in which event such action shall be taken.

The protests addressing the adequacy of the Request for Bid, including, without limitation, the pre-award procedure, the Instructions to Bidders, General Terms and Conditions, Technical Specifications and Scope of Work, must be filed at the Finance Department no later than three days before the scheduled opening date of the Bid. Thereafter, such issues are deemed waived by all interested parties.

Notice of protest and the basis therefor shall be given to all bidders or proposers. In addition, when a protest against the making of an award is received and the Finance Director determines to withhold the award pending disposition of the protest, Bidders whose Bids might become eligible for award shall be requested, before expiration of the time for acceptance of their Bids, to extend the time for acceptance (with consent of sureties, if any) to avoid the need for readvertising.

When a written protest against the making of an award is received, award shall not be made until five days after the matter is resolved, unless the General Manager determines that:

- the items to be procured are urgently required; or
- delivery or performance will be unduly delayed by failure to make the award promptly; or
- failure to make prompt award will otherwise cause undue harm to DTA or the State or the Federal Government.

In the event the General Manager determines that the award is to be made during the five-day period or during the pendency of protest, he/she shall notify the FTA prior to make such award. FTA preserves the right not to participate in such procurement.

If award is made, the Finance Director shall document the file to explain the need for an award, and shall give written notice of the decision to proceed with the award to the protestor and, as appropriate, to others concerned.

PROTESTS AFTER AWARD

Protests against award must be filed at the Finance Department within five days immediately following the award. The Finance Director shall review the protests. The Contractor shall be furnished with the notice of protest and the basis therefor. Also, when it appears likely that an award may be invalidated and a delay in receiving the supplies or services is not prejudicial to DTA's interest, the Finance Director shall inform the contractor that DTA will not be responsible if the award is set aside and that the contractor proceeds with performance at his/her own risk.

DECISION ON PROTEST

The General Manager shall render his/her decision in writing within 14 days from the receipt of the written protest and shall provide written notice of such decision to all interested parties.

Following an adverse decision by the General Manager, the protestor may file a protest with FTA. For details, see FTA Circular 4220.1F, as amended, which states that FTA will only review protests regarding the alleged failure of a grantee (here, the DTA) to have written protest procedures or alleged failure to follow such procedures.

G-13 ORGANIZATIONAL CONFLICTS OF INTEREST

1. An organizational conflict of interest means that because of other activities or relationships with other persons or entities, a Contractor is unable, or potentially unable to render impartial assistance or advice to the DTA, or the Contractor's objectivity in performing the contract work is, or might be otherwise impaired, or the Contractor has an unfair competitive advantage. Organizational conflict of interest includes situations where the capacity of a Contractor (including the Contractor's executives, directors, consultants, subsidiaries, parent companies or subcontractors) to give impartial, technically sound advice or objective assistance is or may be impaired or may otherwise result in a biased work product because of any past, present or planned interest, financial or otherwise, in the DTA.

2. The Contractor is responsible for maintaining and providing up to date conflict of interest information to the DTA's Director of Finance. If, after award of this contract or task order, the Contractor discovers a conflict of interest with respect to this contract or task order which could not reasonably have been known prior to award, or if any additional conflicts or potential conflicts arise

after award, the Contractor shall give written notice to the DTA's Director of Finance as set forth below.

3. The Contractor's notice called for in paragraph 2 above shall describe the actual, apparent or potential conflict of interest, the action(s) the Contractor has taken or proposes to take to avoid or mitigate any conflict, and shall set forth any other information which the Contractor believes would be helpful to the DTA's Director of Finance in analyzing the situation.

4. The Contractor has the responsibility of formulating and forwarding a proposed mitigation plan to the DTA's Director of Finance for review and consideration. This responsibility arises when the Contractor first learns of an actual, apparent, or potential conflict of interest. Corporate counsel review of the proposed mitigation plan is necessary to ensure a timely review and final determination by the DTA's Director of Finance.

5. If the DTA's Director of Finance, in his/her discretion, determines that the Contractor's actual, apparent or potential conflict of interest remains, or the measures proposed are insufficient to avoid or mitigate the conflict, the DTA's Director of Finance will direct a course of action to the Contractor designed to avoid, neutralize, or mitigate the conflict of interest. If the parties fail to reach agreement on a course of action, or if having reached such agreement the Contractor fails to strictly adhere to such agreement during the remaining period of contract performance, the DTA's Director of Finance has the discretion to terminate the contract for default. No determination by the DTA's Director of Finance under this clause shall be reviewable under FAR Clause 52.233-1, "Disputes Clause (May 2014)," which is also incorporated by reference herein.

6. The Contractor's misrepresentation of facts in connection with a conflict of interest reported or a Contractor's failure to disclose a conflict of interest as required shall be a basis for default termination of this contract.

G-14 TAXES

The DTA is exempt from payment of the Federal excise, transportation tax, Minnesota State sales tax and City of Duluth City sales tax.

Termination for Convenience (General Provision)

The Duluth Transit Authority may terminate this contract, in whole or in part, at any time by written notice to the Contractor when it is in the Duluth Transit Authority’s best interest. The Contractor shall be paid its costs, including contract close-out costs, and profit on work performed up to the time of termination. The Contractor shall promptly submit its termination claim to the Duluth Transit Authority to be paid the Contractor. If the Contractor has any property in its possession belonging to the Duluth Transit Authority, the Contractor will account for the same, and dispose of it in the manner the Duluth Transit Authority directs.

Termination for Default [Breach or Cause] (General Provision)

If the Contractor does not deliver supplies in accordance with the contract delivery schedule, or if the contract is for services, the Contractor fails to perform in the manner called for in the contract, or if the Contractor fails to comply with any other provisions of the contract, the Duluth Transit Authority may terminate this contract for default. Termination shall be effected by serving a Notice of Termination on the Contractor setting forth the manner in which the Contractor is in default. The Contractor will be paid only the contract price for supplies delivered and accepted, or services performed in accordance with the manner of performance set forth in the contract.

If it is later determined by the Duluth Transit Authority that the Contractor had an excusable reason for not performing, such as a strike, fire, or flood, events which are not the fault of or are beyond the control of the Contractor, the Duluth Transit Authority, after setting up a new delivery of performance schedule, may allow the Contractor to continue work, or treat the termination as a Termination for Convenience.

Opportunity to Cure (General Provision)

The Duluth Transit Authority, in its sole discretion may, in the case of a termination for breach or default, allow the Contractor ten (10) days in which to cure the defect. In such case, the Notice of Termination will state the time period in which cure is permitted and other appropriate conditions to cure the defect.

If Contractor fails to remedy to the Duluth Transit Authority's satisfaction the breach or default of any of the terms, covenants, or conditions of this Contract within ten (10) days after receipt by Contractor of written notice from the Duluth Transit Authority setting forth the nature of said breach or default, the Duluth Transit Authority shall have the right to terminate the contract without any further obligation to Contractor. Any such termination for default shall not in any way operate to preclude the Duluth Transit Authority from also pursuing all available remedies against Contractor and its sureties for said breach or default.

Waiver of Remedies for any Breach

In the event that the Duluth Transit Authority elects to waive its remedies for any breach by Contractor of any covenant, term or condition of this contract, such waiver by the Duluth Transit Authority shall not limit the Duluth Transit Authority's remedies for any succeeding breach of that or of any other covenant, term, or condition of this contract.

Termination for Default (Supplies and Service)

If the Contractor fails to deliver supplies or to perform the services within the time specified in this contract or any extension, or if the Contractor fails to comply with any other provisions of this contract, the Duluth Transit Authority may terminate this contract for default. The Duluth Transit Authority shall terminate by delivering to the Contractor a Notice of Termination specifying the nature of the default. A.26 VIOLATION AND BREACH OF CONTRACT

2 C.F.R. § 200.326, 2 C.F.R. part 200, Appendix II (A)

Rights and Remedies of the Duluth Transit Authority

The Duluth Transit Authority shall have the following rights in the event that the Duluth Transit Authority deems the Contractor guilty of a breach of any term under the Contract.

1. The right to take over and complete the work or any part thereof as agency for and at the expense of the Contractor, either directly or through other contractors;
2. The right to cancel this Contract as to any or all of the work yet to be performed;
3. The right to specific performance, an injunction or any other appropriate equitable remedy; and
4. The right to money damages.

Rights and Remedies of Contractor

Inasmuch as the Contractor can be adequately compensated by money damages for any breach of this Contract, which may be committed by the Duluth Transit Authority, the Contractor expressly agrees that no default, act or omission of the Duluth Transit Authority shall constitute a material breach of this Contract, entitling Contractor to cancel or rescind the Contract (unless the Duluth Transit Authority directs Contractor to do so) or to suspend or abandon performance.

Remedies

Substantial failure of the Contractor to complete the Project in accordance with the terms of this Agreement will be a default of this Agreement. In the event of a default, the Duluth Transit Authority will have all remedies in law and equity, including the right to specific performance, without further assistance, and the rights to termination or suspension as provided herein. The Contractor recognizes that in the event of a breach of this Agreement by the Contractor before the Duluth Transit Authority takes action contemplated herein, the Duluth Transit Authority will provide the Contractor with sixty (60) days written notice that the Duluth Transit Authority considers that such a breach has occurred and will provide the Contractor a reasonable period of time to respond and to take necessary corrective action.

Disputes

• **Example 1:** Disputes arising in the performance of this Contract that are not resolved by agreement of the parties shall be decided in writing by the authorized representative of the Duluth Transit Authority's Procurement Manager. This decision shall be final and conclusive unless within 10 days from the date of receipt of its copy, the Contractor mails or otherwise furnishes a written appeal to the Duluth Transit Authority General Manager. In connection with any such appeal, the Contractor shall be afforded an opportunity to be heard and to offer evidence in support of its position. The decision of the General Manager shall be binding upon the Contractor and the Contractor shall abide by the decision.

• **Example 2:** The Duluth Transit Authority and the Contractor intend to resolve all disputes under this Agreement to the best of their abilities in an informal manner. To accomplish this end, the parties will use an Alternative Dispute Resolution process to resolve disputes in a manner designed to avoid litigation. In general, the parties contemplate that the Alternative Dispute Resolution process will include, at a minimum, an attempt to resolve disputes through communications between their staffs, and, if resolution is not reached at that level, a procedure for review and action on such disputes by appropriate management level officials within the Duluth Transit Authority and the Contractor's organization.

In the event that a resolution of the dispute is not mutually agreed upon, the parties can agree to mediate the dispute or proceed with litigation. Notwithstanding any provision of this section, or any other provision of this Contract, it is expressly agreed and understood that any court proceeding arising out of a dispute under the Contract shall be heard by a Court de novo and the court shall not be limited in such proceeding to the issue of whether the Duluth Transit Authority acted in an arbitrary, capricious or grossly erroneous manner.

Pending final settlement of any dispute, the parties shall proceed diligently with the performance of the Contract, and in accordance with the Duluth Transit Authority's direction or decisions made thereof.

Performance during Dispute

Unless otherwise directed by the Duluth Transit Authority, Contractor shall continue performance under this Contract while matters in dispute are being resolved.

Claims for Damages

Should either party to the Contract suffer injury or damage to person or property because of any act or omission of the party or of any of its employees, agents or others for whose acts it is legally liable, a claim for damages therefor shall be made in writing to such other party within a reasonable time after the first observance of such injury or damage.

Remedies

Unless this Contract provides otherwise, all claims, counterclaims, disputes and other matters in question between the Duluth Transit Authority and the Contractor arising out of or relating to this agreement or its breach will be decided by arbitration if the parties mutually agree, or in a court of competent jurisdiction within the State in which the Duluth Transit Authority is located.

Rights and Remedies

The duties and obligations imposed by the Contract documents and the rights and remedies available thereunder shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law. No action or failure to act by the Duluth Transit Authority or Contractor shall constitute a waiver of any right or duty afforded any of them under the Contract, nor shall

any such action or failure to act constitute an approval of or acquiescence in any breach thereunder, except as may be specifically agreed in writing.
