

**REQUEST FOR BIDS
SERVER REPLACEMENTS**

DULUTH TRANSIT AUTHORITY

Addendum #2

March 12, 2024

Clarification:

1. The DTA is requesting that all warranties and firewall protection be 5-years.
2. Reminder, please use the revised Bid Sheet with the 5-year firewall protection plan included.
3. No hardware installation costs are required; DTA staff will install the equipment.
4. The Microsoft SQL Server Licensing will be standard SQL, not an enterprise license.
