

REQUEST FOR BIDS

Mobile Column Lifts

DULUTH TRANSIT AUTHORITY

Addendum #1

July 19, 2024

PLEASE NOTE:

1. The DTA is changing the quantity of sets of lifts purchased under this Request for Bids from one set to TWO SETS (8 column lifts total.) Please provide the total cost, including the total cost for shipping TWO SETS on the Bid sheet. Please change all references in the Request for Bids to TWO SETS.
2. The DTA does not require that the mobile column lifts be interchangeable with the DTA's current mobile column lifts. The sets are kept together and are not swapped out between different locations or maintenance bays.
3. Clarification: Section 2, Technical Specifications, subparagraph A(3), Please DELETE the words "~~and retractable wheels.~~" We do not require retractable wheels on the base of the column lifts.
