

**Public Notice of Intent to Sole Source to RTA for Fleet Management Software**

**Date: September 23, 2025**

**Item: Fleet Management Software**

**Vendor: Ron Turley Associates LLC**

The DTA pays a quarterly subscription rate at fair and reasonable cost. Converting to new software would add a significant amount of cost and time for implementation of new system. The Duluth Transit Authority plans to continue using RTA Fleet Management Software at this time.

This is **NOT** a request for quotes or proposals.

Any vendor, organization, or person that may refute the determination that the goods or services being procured are NOT a sole source shall send an email to DTA to [hborn@duluthtransit.com](mailto:hborn@duluthtransit.com), no later than 5:00 pm CST on Friday, October 3, 2025.
