**BUS WASH SYSTEM**

**ADDENDUM 1**

**October 21, 2025**

This addendum addresses the design and performance requirements listed in Section 6, Technical/Special Specifications.

The DTA understands there are various bus wash manufacturers in the marketplace, each with their own unique characteristics & performance attributes. To not be restrictive or benefit one manufacture over another, all specific/unique design and performance requirements listed in Section 6 are hereby suggestive.

We desire all bidders to bring their best proposal to the table utilizing their bus washes unique characteristics & performance attributes and meeting the DTA needs. The DTA will ultimately choose the proposal that is the best value for the DTA.
