Proposer acknowledges and agrees that it will not and cannot assume conditions affecting the work based upon documents and information provided by the DTA or representations and statements made by DTA personnel. The DTA assumes no responsibility for any conclusions or interpretations made by the Proposer based on the information made available by the DTA. Nor does the DTA assume responsibility for any understanding reached or representations made concerning conditions which can affect the work by any of its officers or agents before the execution of the Contract, unless that understanding or representation is expressly stated in this Contract.

G-14 DOCUMENTATION

Any and all documentation must be provided to the DTA in electronic (PDF) format.

G-15 PROTEST PROCEDURES

Protests will only be accepted from prospective Proposers or offerors whose direct economic interest would be affected by the award of a Contract or refusal to award a Contract. The General Manager will consider all such protests, whether submitted before or after the award of a contract. If oral objections are raised and the matter cannot be resolved to the satisfaction of the objector, a written protest shall be required before any further consideration is given. Protest submissions should be concise, logically arranged, and clearly state the grounds for the protest. Protest must include at least the following information:

- Name, address, and telephone number of protestor
- Identification of the solicitation or contract number
- A detailed statement of the legal and factual grounds of protest including copies of relevant documents
- A statement as to what relief is requested

All protest documents received by the General Manager shall be stamped with date and time received and logged into a protest file folder with a copy to the Master File.

PROTESTS BEFORE AWARD

Protests before award must be submitted within the time as specified herein. If the written protest is not received by the time specified, the evaluation process shall continue in the normal manner unless the Finance Director, upon investigation, finds that remedial action is desirable, in which event such action shall be taken.

The protests addressing the adequacy of Invitation for Bids, RFPs, including, without limitation, the pre-award procedure, the Instructions to Bidders or Proposers, General Terms and Conditions, Technical Specifications and Scope of Work, must be filed at the Finance Department no later than three days before the scheduled opening date or the bid or proposal. Thereafter, such issues are deemed waived by all interested parties.

**Duluth Transit Authority
Temporary Staffing - Accountant**

Notice of protest and the basis therefor shall be given to all bidders or proposers. In addition, when a protest against the making of an award is received and the Finance Director determines to withhold the award pending disposition of the protest, the bidders or proposers whose bids or proposals might become eligible for award shall be requested, before expiration of the time for acceptance of their bids or proposals, to extend the time for acceptance (with consent of sureties, if any) to avoid the need for readvertising.

When a written protest against the making of an award is received, award shall not be made until five days after the matter is resolved, unless the General Manager determines that:

- the items to be procured are urgently required; or
- delivery or performance will be unduly delayed by failure to make the award promptly; or
- failure to make prompt award will otherwise cause undue harm to DTA or the State or the Federal Government.

In the event the General Manager determines that the award is to be made during the five-day period or during the pendency of protest, he/she shall notify the FTA prior to make such award. FTA preserves the right not to participate in such procurement.

If award is made, the Finance Director shall document the file to explain the need for an award, and shall give written notice of the decision to proceed with the award to the protestor and, as appropriate, to others concerned.

PROTESTS AFTER AWARD

Protests against award must be filed at the Finance Department within five days immediately following the award. The Finance Director shall review the protests. The contractor shall be furnished with the notice of protest and the basis therefor. Also, when it appears likely that an award may be invalidated and a delay in receiving the supplies or services is not prejudicial to DTA's interest, the Finance Director shall inform the contractor that DTA will not be responsible if the award is set aside and that the contractor proceeds with performance at his/her own risk.

DECISION ON PROTEST

The General Manager shall render his/her decision in writing within 14 days from the receipt of the written protest and shall provide written notice of such decision to all interested parties.

Following an adverse decision by the General Manager, the protestor may file a protest with FTA. For details, see FTA Circular 4220.1G, which states that FTA will only review protests regarding the alleged failure of a grantee (here, the DTA) to have written protest procedures or alleged failure to follow such procedures.

G-16 ORGANIZATION CONFLICTS OF INTEREST

- a) An organization conflict of interest means that because of other activities or relationships with other persons or entities, a Contractor is unable, or potentially unable to render impartial assistance or advice to the DTA, or the Contractor's objectivity in performing the Contract work is, or might be otherwise impaired, or the Contractor has an unfair competitive advantage. Organizational conflict of interest includes situations where the capacity of a Contractor (including the Contractor's executives, directors, consultants, subsidiaries, parent companies or subcontractors) to give impartial, technically sound advice or objective assistance is or may be impaired or may otherwise result in a biased work product because of any past, present or planned interest, financial or otherwise, in the DTA.
- b) The Contractor is responsible for maintaining and providing up to date conflict of interest information to the DTA's Director of Administration. If, after award of this Contract or task order, the Contractor discovers a conflict of interest with respect to this Contract or task order which

**Duluth Transit Authority
Temporary Staffing - Accountant**

could not reasonably have been known prior to award, or if any additional conflicts or potential conflicts arise after award, the Contractor shall give written notice to the DTA's Director of Administration as set forth below.

- c) The Contractor's notice called for in paragraph 2 above shall describe the actual, apparent or potential conflict of interest, the action(s) the Contractor has taken or proposes to take to avoid or mitigate any conflict, and shall set forth any other information which the Contractor believes would be helpful to the DTA's Director of Administration in analyzing the situation.
- d) The Contractor has the responsibility of formulating and forwarding a proposed mitigation plan to the DTA's Director of Administration, for review and consideration. This responsibility arises when the Contractor first learns of an actual, apparent, or potential conflict of interest. Corporate counsel review of the proposed mitigation plan is necessary to ensure a timely review and final determination by the DTA's Director of Administration.
- e) If the DTA's Director of Administration, in his/her discretion, determines that the Contractor's actual, apparent or potential conflict of interest remains, or the measures proposed are insufficient to avoid or mitigate the conflict, the DTA's Director of Administration will direct a course of action to the Contractor designed to avoid, neutralize, or mitigate the conflict of interest. If the parties fail to reach agreement on a course of action, or if having reached such agreement the Contractor fails to strictly adhere to such agreement during the remaining period of contract performance, the DTA's Director of Administration has the discretion to terminate the contract for default. No determination by the DTA's Director of Administration under this clause shall be reviewable under FAR Clause 52.233-1, "Disputes Clause (MAY 2014)," which is also incorporated by reference herein.
- f) The Contractor's misrepresentation of facts in connection with a conflict of interest reported or a Contractor's failure to disclose a conflict of interest as required shall be a basis for default termination of this Contract.

G-17 TAXES

The DTA is exempt from payment of the Federal excise, transportation tax, Minnesota State sales tax and City of Duluth City sales tax. Please note Minnesota Department of Revenue Notice #17-10, "Sales and Use Tax" for further information.

G-18 SUBCONTRACTOR REPORTING

- a. The Contractor shall disclose all Subcontractors and their involvement at the time of Proposal submittal.
- b. The Contractor shall insert the required Federal and State provisions into every subcontract.

In accordance with Minnesota §181.59, "DISCRIMINATION ON ACCOUNT OF RACE, CREED, OR COLOR PROHIBITED IN CONTRACT"

The Contractor hereby agrees and shall cause this provision to be inserted in every Subcontract the following:

(1) that, in the hiring of common or skilled labor for the performance of any work under any contract, or any subcontract, no contractor, material supplier, or vendor, shall, by reason of race, creed, or color, discriminate against the person or persons who are citizens of the United States or resident aliens who are qualified and available to perform the work to which the employment relates;

(2) that no contractor, material supplier, or vendor, shall, in any manner, discriminate against, or intimidate, or prevent the employment of any person or persons identified in clause (1) of this section, or on being hired, prevent, or conspire to prevent, the person or persons from the performance of work under any contract on account of race, creed, or color;

**Duluth Transit Authority
Temporary Staffing - Accountant**

(3) that a violation of this section is a misdemeanor; and

(4) that this contract may be canceled or terminated by the state, county, city, or the Duluth Transit Authority, or any other person authorized to grant the contracts for employment, and all money due, or to become due under the contract, may be forfeited for a second or any subsequent violation of the terms or conditions of this contract.

G-20 DISPOSITION OF BIDS

All materials submitted in response to this RFP will become the property of the DTA, and will become public record in accordance with Minnesota Statutes §13.591 after the award process is complete.

G-21 SINGLE RESPONSE

If only one Proposal is received in response to this RFP, a detailed cost/price analysis may be requested of the Proposer. A cost or cost and price analysis and evaluation, and/or audit of the cost may be performed in order to determine if the price is fair and reasonable. If the DTA Procurement Manager determines a cost analysis is required, the Proposer must be prepared to provide, upon request, cost summaries of estimated costs (i.e. labor, equipment, supplies, overhead, etc.) and documentation supporting all cost elements.

G-22 NO ENDORSEMENT

Waiver of Remedies for any Breach

In the event that the Duluth Transit Authority elects to waive its remedies for any breach by Contractor of any covenant, term or condition of this contract, such waiver by the Duluth Transit Authority shall not limit the Duluth Transit Authority's remedies for any succeeding breach of that or of any other covenant, term, or condition of this contract.
