

Public Notice of Intent to Award a Contract for Financial Management Software

Date: August 18, 2026

Item: Financial Management Software

Vendor: Abdo, LLP

The Duluth Transit Authority posted an RFP for Financial Management Software on March 30, 2026. Five suppliers submitted proposals by the due date of May 20, 2026. Our initial evaluation shortlisted the five proposals down to three for supplier interviews and software demonstrations.

After completion of evaluations, the DTA has chosen Abdo LLP for the implementation of Sage Intacct Software & Services. Abdo's proposal was chosen as the most advantageous to the DTA, considering their qualifications, approach, schedule, and price, as supported by their submitted proposal along with interviews and software demonstrations.

The DTA plans to award a 5-year contract to Abdo, LLP contingent upon approval by the Duluth Transit Authority Board of Directors and mutually agreed upon contract terms and conditions.

This is **NOT** a request for quotes or proposals.

Any vendor that may refute the DTA awarding the contract to Abdo, LLP can send an email to jbarg@duluthtransit.com & hborn@duluthtransit.com, no later than 12:00 pm CT on August 26, 2026.
